

INCUBATORS + COWORKING SPACES

WEWORK

WeWork is a global network of workspaces where companies and people grow together, transforming buildings into dynamic environments for creativity, focus, and connection. WeWork believes that CEOs can help each other, offices can use the comforts of home, and everyone can look forward to Monday if they find real meaning in what they do.

BLUE1647

BLUE1647 is an entrepreneurship and technology innovation center that fosters economic development in technology and 21st Century skills through people development, workforce development, and business acceleration. As a beacon of resource, BLUE1647 provides impactful individuals and organizations the resources to realize their ideas for a better world.

2150 S Canalport Avenue

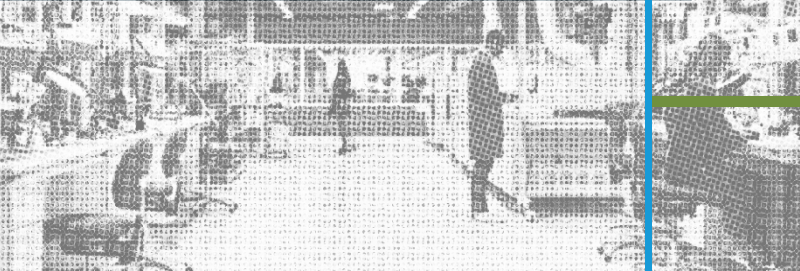

SECOND SHIFT

At **Second Shift** people of all industries and identities come together to work independently to further their own work and projects. The unique skills and abilities of each member builds a larger, more diverse network of resources that provides everyone involved the opportunity for new conversations and connections, collaboration, and innovation.

3432 W Diversey Avenue, Floor 2

mHUB

mHub is Chicago's first innovation center focused on physical product development and manufacturing. The 63,000 square-foot facility, features ten unique fabrication centers, a 3D printing lab, electronics labs, a metal shop, and a microfactory for onsite low-volume production runs, for product design and rapid prototyping. mHub's community is built up of entrepreneurs, manufacturers, investors, mentors, engineers, and designers, as well as education and industry partners. This diversity of backgrounds and perspectives sparks innovation and leads to opportunities for creative collision and collaboration.

965 W Chicago Avenue

BUILDERS

Builders has spent the last two years building a team of operational experts who work closely with their portfolio of companies to help execute on their vision. They have a team of in-house engineers, enterprise sales personnel, performance marketers, and back office operations to help support their founders. Builders has worked closely with venture backed companies to help them rapidly scale.

1165 N Clark Street #501

Healthbox launched in 2010 as one of the first accelerators with a focus in health care. Healthbox seeks to help entrepreneurs navigate the complex industry to grow successful businesses. The team has the context and expertise to understand which external solutions will work inside an organization and what internal projects have the potential to scale outside of it. This dual industry/market knowledge sets Healthbox apart from the rest.

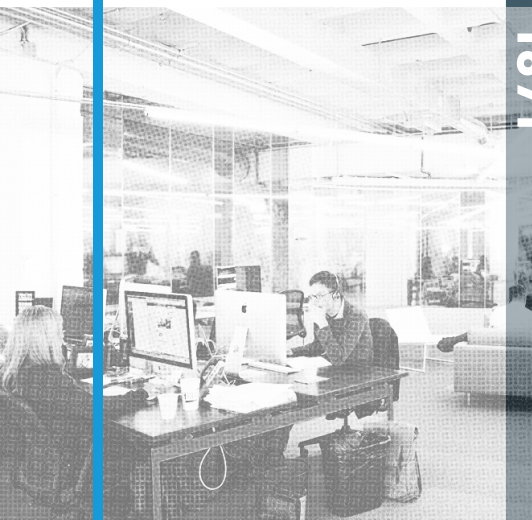

HEALTHBOX

CLEVELAND AVENUE

222 N Canal Street

Cleveland Avenue fosters growth for a new generation of remarkable restaurant, food tech and beverage companies, providing financial resources, expertise, and individual support. Cleveland Avenue brings communities together to collaborate for mutual success in a world where large and small companies thrive alongside one another.

1871

1871 offers traditional co-working space, as well as a number of private office spaces and meeting rooms to accommodate the many stages of a company's growth. Whatever your space needs, you can find a home for your business at 1871.

222 W Merchandise Mart Plaza #1212

DMDII

1415 N Cherry Avenue

The Digital Manufacturing and Design Innovation Institute (DMDII) is where innovative manufacturers go to forge their futures. In partnership with UI LABS and the Department of Defense, DMDII equips U.S. factories with the digital tools and expertise they need. As a result, more than 300 partners increase their productivity and win more business.

MATTER

MATTER is a community of healthcare innovators, an incubator of ideas, and a catalyst for change. The collaborative includes 200 cutting-edge startups from around the world with access to innovators from across the healthcare ecosystem including pharmaceutical, medical device, diagnostics, and health IT companies; venture capitalists; health systems and hospitals; payers; scientists; and physicians.

222 W Merchandise Mart Plaza #1230

FINTANK

333 S Wabash Ave., #2700

FinTank facilitates networking via a wide range of events and programs and encourages FinTank members to share ideas, best practices, contacts, and other valuable resources. FinTank also provides hands-on support to the startups in its year-long accelerator and gives them access to its network and critical resources.

PROPEL

PROPEL helps guide the development of formation-stage and early-stage life sciences companies by providing entrepreneurs with access to specialized resources and expertise to prepare them for early-stage funding. PROPEL has awarded more than \$1.2 million in grants and awards since 2007. For each \$1 awarded, PROPEL portfolio companies raised \$214 in new funding.

171 N Aberdeen Street, #400

GOOD FOOD ACCELERATOR

Good Food Accelerator, created by FamilyFarmed, is a national leader in facilitating new financing for Good Food businesses. Having helped businesses raise more than \$50 million in food investments in recent years, Good Food Accelerator works with leading trade buyers including Whole Foods Market, UNFI, KeHE, Local Foods, Treasure Island, Natural Direct, Compass Group, US Foods, and others.
